

# BACK TO THE FUTURE!

**Thursday 12th November**  
**Wigan Investment Centre, 10am-3pm**

The North-west is full of wonderful old buildings, from Victorian terraces and country cottages to stately homes - but there's a massive shortage of people with the skills to work them!

- Stone carving
- Repairing sash windows
- Decorative plaster-working
- Specialist pointing using traditional mortars
- Thatching
- Traditional painting and decorating

The industry desperately needs keen young people who can rise to the challenge. If you think the past could be your future, then come along and find out more. Telephone ?????? Or email ?????? NOW to book your place.
