**SPAB Technical Day: Scottish Sandstone**

The format for the day is still being finalised, expect a mix of technical lectures and demonstrations. Topics to include: information on the structure of sandstone, the correct mortars to use, common defects and methods of repair and conservation. Experts with years of experience will talk about the issues and demonstrate some of the craft techniques. A must attend event for anyone needing more information about working with sandstone – spaces will be limited! Date: 16 September 2008, Glasgow. Cost TBC

**2<sup>nd</sup> Annual Building Maintenance Lectures**

Every November SPAB is the force behind **National Maintenance Week**. The campaign aims to encourage professionals, homeowners and others to be aware of **simple, economic and achievable maintenance steps** they can take to protect their buildings. This year a further series of lectures is offered by leading professionals, once again in conjunction with RICS and hosted by the Heriot-Watt School of the Built Environment. Refreshments will be provided.

Date: *Tuesday 25 November 2008, 4 pm.*

Cost: £20 members, £15 Concessionary Members, £25 Non members.
