Objectives	To deliver a maintenance training course To devise an effective support system (information in a range of media) To reach as many and as diverse a range of volunteers as possible. To raise awareness of the need for regular and basic routine maintenance To encourage greater understanding of the history and interest of historic PoWs To enhance the skills, expertise and personal development of volunteers To promote the SPAB's philosophy – daily care, conservative repair etc.
Feedback	<i>"The enthusiasm of Sara Crofts was palpable and inspiring, her expertise undoubted. What might have been a 'dry as dust' excursion into lurking decay was a revelation and a most enjoyable day."</i> <i>"Thank you for a fascinating day on this course. Invaluable to me as a new churchwarden."</i> <i>"I'd just like to record my appreciation of the above course. I do think it is amazing to have a training day like that offered free of charge. Although I knew a good deal, it was very useful in plugging gaps and in the information on help available."</i> <i>"I found the content very interesting and thought provoking, and considered it worthwhile, being a positive benefit to those looking after our buildings."</i>
