WORKING HOLIDAYS 2019

The Eighth Year of Restoration at Červený Dvůr in the Czech Republic

This is the eighth holiday at Červený Dvůr, a historic estate that was once the summer residence of the Schwarzenberg family and is now a sanatorium. In 2019, participants will be helping to rebuild the two gatehouses at the entrance to the park and laying out walls on the site of a pavilion demolished in the 1970s. During the week there will be the opportunity to visit some of the region's houses and castles. No prior skills are required, although participants will need to have a good level of fitness.
